Prove What Every Essex Can Do

Come take a ride yourself. Know by personal experience what this brilliant New Essex Challenger can do. Its ex-

ploits of Challenger Week have swept the country. Essex owners led the demonstration. They were so widely followed and aided by public participation that we are continuing the invitation to Ride—Ride—Ride!

Every locality now knows Essex for the accomplishment of some great feat. Hills seldom attempted in any car were climbed by Essex in high gear. Remarkable economy proofs were established. New acceleration marks were made.

Most important of all—Challenger Week convinced motorists everywhere that Essex represents the greatest dollar for dollar value in car satisfaction that the industry offers. We will gladly give you a personal demonstration of any of these proofs which Essex has established.
